

Our student pledge

We want all Ormiston students to develop:

- Strong literacy and numeracy skills
- A breadth of knowledge
- Ambitions and aspirations for the future
- Practical and life skills
- The capacity to build caring and effective relationships
- A social conscience and a commitment to make a positive contribution to society
- The confidence to be creative and independent-minded
- Healthily and happily
- The ability to lead, listen, negotiate and work as part of a team
- A curiosity and passion for learning
- The resilience, discipline and adaptability to overcome setbacks

With these attributes, students leave our academies with the skills to live independently and the appropriate qualifications to pursue further education or careers.
